SUMMER TRAVEL TIPS

Ways to Save: Save money by packing a cooler with food and drinks for the drive. Avoid costly ATM fees by taking out cash prior to your trip or use your debit card for cashback when purchasing gas. Bundle hotel, airfare and activities or search last minute deal websites.

Carry On: Pack an extra change of clothes for each person in their carry-on bag. Twenty-nine million pieces of luggage are lost or delayed/misplaced every year. If your bag is one of them, having a set of clothes to change into while you are waiting for your luggage to be found can be a lifesaver.

Keep Kids Occupied: If your destination is hours away, pre-make activity binders for each child that include a coloring book, blank paper, crossword puzzles and activity sheets. Also include a zipper bag of crayons and writing utensils. Free printable coloring pages, stories and activities can be found easily online.
